FINANCIAL DECLARATIONS FOR THE BODY OF CHRIST

I call forth jobs for the unemployed, meaningful jobs with good pay, amazing benefits and great favor for each one!

I call forth things that have been held up in the court systems such as your inheritances, godly settlements and other legal matters, be settled in Jesus Name so that you may have what is rightfully yours with any further delay!

For those who earn your living as entrepreneurs or for those who work in sales and commissions, I speak God's favor to be upon you so that deals and opportunities will excel and come your way!

I call forth raises and bonuses to those who need them!

I speak that you will find money unexpectedly and that unexpected checks come in the mail from out of nowhere as a gift from heaven just for you.

I speak the word "INCREASE" over you. I declare that abundance will overtake you - such abundance that you miraculously come out of debt so that the stress of those debts will release your minds and God's peace will return to you quickly.

In Jesus Name I release God's angels to go forth and minister for you and yours - that you walk in the blessings of the covenant of Abraham which is rightfully yours according to the word of God!

I declare all that is yours to come your way, without hesitation and that you will receive more and more all that God has for you.

I speak blessings to all that you do for the Kingdom of God on this earth!
